**\*Primary User Plans include Priority and Preemption at no additional cost.**

**\*Primary Users are those Public Safety Entities that act as first responders, i.e., those entities whose primary mission and job function is to provide services to the public in the area of law enforcement, fire protection, or emergency medical services. Please contact your FirstNet Representative for eligibility questions.**

**\*Extended Primary Users are those Public Safety Entities (which may be individuals, agencies, organizations, non-profit or for-profit companies) that are not Primary Users, but who may be called upon to support Primary Users with the mitigation, remediation, overhaul, clean up, restoration, or provision of other services that are required during the time of an emergency or its aftermath. Please contact your FirstNet Representative for eligibility questions.**
